Summary

I am an energetic and ambitious individual actively pursuing career opportunities as a criminal investigator and intelligence analyst. I believe I can achieve anything through hard work and determination. Diligence and being the best person I can be are paramount principles that I live by. I am eager to learn and thrive on a personal and professional level.

Skills

Investigation	Analysis	Computer Literacy	Reports
Profiling	Link analysis	Semantica (FBI)	Security & Risk
Interviewing/probing	CCTV footage	MS Word, Excel, PP	CCTV Footage
Due diligence	Body language	Google Earth	Due diligence
Administration	Security & Risk	CiiMS Professional	Semantica
Research	Data analysis	CiiMS Administrator	Investigation

Other than the above mentioned skills, I also have experience in conflict management, client service, presentations, research and setting up OJTs (on the job training).
